

Application for Geothermal Heating & Cooling System Property Tax Exemption

Iowa Code Section 427.1 (38)

This application must be filed with your assessor by February 1 of the first year the exemption is claimed. The exemption applies to value added by any new or refitted construction or installation of a geothermal heating or cooling system, on or after July 1, 2012, on property classified as residential. The exemption shall be allowed for ten consecutive years.
