Y26 (Yankee Avenue) Resurfacing Project

The Cedar County Secondary Roads would like the public to be aware of road construction that is to occur starting June 18, 2010. ILLOWA Investment Corp. of Blue Grass will be resurfacing Y26 (Yankee Avenue) Durant City Limits to 290th Street (F44). The road will be open during the construction, however expect delays due to lane closures with flaggers and a pilot car. It is recommended that you utilize alternate routes during the construction.
