

Stanwood Drainage District

March 28, 2017

Moved by Sup. Agne seconded by Sup. Gaul to convene as the Stanwood Drainage District Board at 8:46 a.m.

Ayes: All

Absent: Bell

Moved by Sup. Kaufmann seconded by Sup. Agne to approve the minutes of March 21, 2017.

Ayes: All

Absent: Bell

Auditor Gritton informed the Board that she received an email from Luke with McClure Engineering, stating he has not received the final pay requests from Klima. She also received an email from Mr. Etlar in reference to sending one assessment to the City of Stanwood and they would assess each owner. This action would require a 28E agreement and Attorney Hudson would have to assist. Discussion was held. The Board decided it may be cost worthy to assess each parcel on the schedule instead of the cost of hiring Attorney Hudson to proceed with the 28E agreement.

Sup. Smith reviewed what the Board viewed last week at the Drainage District. There are mini boulders and concrete in the field that need to be removed. Sup. Kaufmann would like Klima to clean this up. At the Siebel's residence they viewed soil being drug back out, not sure if it is in the 100' range. This needs to be addressed with Luke. Lehrman's concern with areas of the ditch was not cleaned out the 6'. Sup. Smith stated a majority of the ditch looked great.

The Board requested Auditor Gritton to email Luke with these concerns.

Moved by Sup. Gaul seconded by Sup. Kaufmann to return to regular session at 8:55 a.m.

Ayes: All
