Royce Lehrman, Auditor Dauber, GIS Teut, Deputy Assessor Lemberg and Robin Boettcher, Assessor Clerk were in attendance. Sup. Bell and Auditor Dauber had a conference call with Attorney Hudson regarding easements after last week's meeting. Hudson said governments don't go retroactive and the whole easement going forward will be exempt per the Drainage District law. Sup. Smith questioned why the easements are exempt if they can farm them. Sup. Bell stated that is Drainage District laws according to Attorney Hudson. The Engineers Report will be recorded and the exemption code that will be used will be SDD. Discussion was held. The consensus of the Board was to have Auditor Dauber verify and get documentation with Attorney Hudson on the Drainage District law and proceed with the total 100ft. exemption. Auditor Dauber requested the Assessor's Office have the 2017 values for all parcels completed and submitted to her by June 1<sup>st</sup>.

Moved by Sup. Bell seconded by Sup. Kaufmann to return to regular session at 9:58 a.m.
