When filing a valid claim, the claim will be allowed on that tract for successive years without additional filing, as long as the property is legally or equitably owned by that person or that person's spouse on July 1 of each of those successive years, and the designated person who is actively engaged in farming remains the same during these years. When the property is sold or transferred, the buyer or transferee who wishes to qualify will file for the credit. However, when the property is transferred as part of a distribution made according to chapter 598, the transferee who is the spouse retaining ownership of the property is not required to file for the credit. In the case where the owner remains the same but the person who is actively engaged in farming changes, the owner will refile for the credit. The owner must provide written notice if the person actively engaged in farming changes.

A person who fails to notify the assessor of a change in the person who is actively engaged in farming the tract for which the credit under section 425A.3 is allowed will be liable for the amount of the credit plus a penalty equal to five percent of the amount of the credit. The amounts will be collected by the county treasurer in the same manner as other property taxes along with any penalty, and paid to the Iowa Department of Revenue.

I declare that, to the best of my knowledge and belief, the information provided on this claim is true, correct and complete.
