DISCLAIMER: The Cedar County GIS Department, Assessor's Office, and other County offices provide property information and other GIS data to the public "as is" without warranty or guarantee, expressed or implied. A good faith effort has been made to provide the most accurate data possible. However, errors or omissions are possible, and the user is hereby advised of that possibility. In no event will Cedar County, its officers, employees or agents be liable to anyone for damages arising from the use of the GIS data (including property data). Cedar County makes no claim as to the accuracy of the data and its associated data table(s) and assumes no responsibility for the content accuracy. Cedar County assumes no obligation to assist in the use of the data, or in the development, use, or maintenance of any applications applied to the data. In no event shall Cedar County be liable for any direct, indirect, consequential or special damages that may result from the use of the property data and all other GIS data.
